Need some help?

Answer keys are posted on the solid green wall near the clocks.

1. Your job is to discover where each person lives.
2. Look for the picture of each friend hidden in the Discovery Zone/non-fiction side of the Youth department.
3. Once you find each person, put their sticker on the map and write down their name.
4. When you're finished, stop by the Youth desk for a fun little surprise!
