**Many hummingbirds live  
on Caribbean islands.**

**One country,  
Trinidad, is known as  
“The Land of the  
Hummingbird”**

**Make a  
hummingbird -  
hibiscus flower  
craft!**

**Punch a hole in the hummingbird shape.**

**Then put your hummingbird back on the paper towel.**

# Add color!

Place on tray with  
paper towels  
under it.

Cover.

Spray some water  
(too much and it  
may break).

**Carefully remove  
tissue and throw  
away.**

**Let it dry while you  
make the flower.**

# Make a flower.

3

Choose 3 pieces  
of tissue.

Layer them so  
they're staggered.

Make a small loop  
at the end of a  
pipe cleaner.

# Make a flower

**Pinch the middle of all the layers of tissue paper together.**

**Poke the pipe cleaner through the middle.**

**Twist the pipe cleaner to secure.**
