

# Gather Your Supplies

To make the fireworks wand, you will need:

**1 straw**

**2 stars**

**3-5 streamers  
(*any colors you want*)**

# Make a fireworks dance wand!

1. Decorate 2 golden stars.

2. Tape your streamers together, then tape them to the straw.

3. Make a "star sandwich:" - tape the streamers to the back of one star.

4. Then make some tape rolls and put them on the back of another star.

Lay that star on top of the other star with the streamers on it and push down to stick it all together. Now it's time to DANCE!

# Customize your own game set!

For this craft, you will decorate a fabric bag and some game pieces (wooden cubes). You can play a game with the wooden pieces. The game is similar to “jacks.” The instructions for the game are tied to the bag. Or, you can make up your own game!

1. Write your name on the tag.
2. Take out the cubes.

3. Using “regular” markers, decorate each side of each cube. You can also use stickers to decorate the cubes!

4. Using the **fabric** markers, decorate each side of the bag.

5. Put the cubes back in the bag, and try playing the game with your family!

## HOW TO PLAY

- 1 Sit on the floor.
- 2 Spread out all 5 cubes on the ground in front of you.
- 3 Pick one cube up. Throw it in the air. While it is in the air, pick up another cube that is on the ground - AND, try to also catch the one that you just threw!
- 4 If you don't catch it, then it is the next player's turn.

- 5 If you do catch it, you get another turn. Hold two of the cubes in one hand, and throw one of them in the air. Pick up a third while it is in the air, and then catch the cube you threw.
- 6 Keep going until you have all 5 cubes in your hand.
- 7 Want a challenge? Try throwing a cube up and catching it on the back of your hand!
- 8 Invent your own game!
