HOW TO PLAY

- 1 Sit on the floor.
- 2 Spread out all 5 cubes on the ground in front of you.
- 3 Pick one cube up. Throw it in the air. While it is in the air, pick up another cube that is on the ground - AND, try to also catch the one that you just threw!
- 4 If you don't catch it, then it is the next player's turn.
- 5 If you do catch it, you get another turn. Hold two of the cubes in one hand, and throw one of them in the air. Pick up a third while it is in the air, and then catch the cube you threw.
- 6 Keep going until you have all 5 cubes in your hand.
- 7 Want a challenge? Try throwing a cube up and catching it on the back of your hand!
- 8 Invent your own game!
